

Free Subscriptions to Musicplayonline.com

The musicplayonline.com website is an amazing resource. The website takes the content that is in the Musicplay teacher's guides and Digital Resources and extends and enriches it. Purchase of a Musicplay teacher's guide/CDs or the Musicplay Digital Resources does not automatically entitle the purchaser to the use of the website. The website is a NEW and unique product, with many, many features that you cannot include in print or on disk. And unlike the sale of a book or a disk, websites require maintenance by programmers, website developers and there is a significant ongoing cost.

Themes & Variations has always strived to provide quality resources for elementary music teachers at the most affordable price possible. In order to be as generous as we can, we've decided to include a website subscription with new purchases (even when purchased from a music store), and to give loyal customers who purchased these products some years ago, the opportunity to use the online resource for free for a period of time. This offer is subject to change -- so take advantage of the opportunity now! New purchases from Themes & Variations (www.musicplay.ca) will get a subscription code sent with their order. To request free access for older purchases or music store purchases, fill out the request form and email to denise@musicplay.ca.
